

I'm a safe boater. Are YOU?

STORY & ART CONTEST

Tell and show us what you
do to be a safe boater.

It can be a short story, poster, or a video. Use the written word, artwork, photography, or a video to tell others what you do to be a safe boater. Wearing life jackets is at the top of the list to keep boaters safe. Other ways to boat safely can be found throughout the Boating Safety Sidekicks® and National Safe Boating Council's web sites.
